**STATEMENT OF ECONOMIC INTEREST REVIEW
MAY 1, 2012 FILING DEADLINE**

INTRODUCTION

According to 5 ILCS 420/4A-101 of the Illinois Compiled Statutes, the following persons shall file verified written statements of economic interest with the Kane County Clerk:

1. Elected officials and candidates for nomination or election to that office.
2. Citizens appointed to zoning boards of appeals, plan commission, board of review and any other governing boards for the County of Kane.
3. Employees who receive compensation for services rendered and are as follows:
 - a. Department Heads
 - b. Supervisor with direct responsibility for the formulation, negotiation, issuance or execution of contracts in an amount of \$1,000 or greater.
 - c. Authorized to approve licenses and permits.
 - d. Authorized to adjudicate, arbitrate or decide any judicial or administrative proceeding. Also, authorized to review this action taken by others.
 - e. Authorized to issue or promulgate rules and regulations.
 - f. Supervisors with responsibility for 20 or more employees.

Persons subject to filing requirements must disclose any economic interest specified in section 4A-102 on a form provided by the County Clerk.

Candidates for elective office receive their statements of economic interest forms with their nomination petitions. The County Clerk will request certification from Elected Officials and Department Heads for the names of employees in their departments who satisfy the criteria in 3 (a-f) above. Likewise, requests will be submitted to Elected Officials and governing boards for certification in accordance with the criteria in 1 and 2 above. The certification deadline is set by state statute. When persons required to file are certified, the County Clerk will submit to them a Statement of Economic Interest form on or before April 1 of each year.

Candidates for elective office must file their statement of economic interest form with their nomination petitions unless this form has been filed with the government unit within a year preceding the deadline. All other persons required to file a statement of economic interest form must do so by May 1 of each year. An exception is when a person takes office or is otherwise required to file a statement of economic interest form within 30 days prior to May 1 of the year. Then, the deadline is extended to May 31 without penalty.

Within seven (7) days after the May 1 filing deadline, the County Clerk will notify each person who has failed to meet this deadline by certified mail. Such person shall file their statement of economic interest form by May 15 along with a \$15.00 late filing fee. Any such person who fails to file by May 15 shall be subject to a penalty of \$100.00 per day from May 16 until their filing date. This penalty shall be assessed in addition to the \$15.00 late filing fee. Failure to file a statement of economic interest form by May 31 shall result in forfeiture according to Section 4A-105 of this Act. Also, within seven (7) days of the May 31 filing deadline provided for exceptions, the County Clerk will notify each person who has failed to meet this deadline by certified mail. Such person shall file their statement of economic interest form by June 15 along with a \$15.00 late filing fee. Any such person who fails to file by June 15 shall be subject to a penalty of \$100.00 per day from June 16 until their filing date. This penalty shall be assessed in addition to the \$15.00 late filing fee. Failure to file a statement of economic interest form by June 30 shall result in forfeiture according to Section 4A-105 of this Act. This section provides for forfeiture of office or position of employment when prior notification has been given by the County Clerk. In the absence of prior notification, there will be a 30-day grace period from the actual notice by the County Clerk of failure to file a statement of economic interest.

From the certified lists, the County Clerk shall compile an alphabetic listing of persons required to file statements of economic interest. Within thirty (30) days after due dates, the County Clerk shall mail to the State Board of Elections a true copy of that listing which identifies those who have filed statements of economic interest. Persons on the listing who have failed to file a statement of economic interest before the filing deadline shall be noted on this listing by the County Clerk and a copy of same is sent to the State's Attorney office.

SCOPE OF EXAMINATION

Statements of economic interest forms for county employees and appointees were filed in a "County Board" folder. Offices, departments and commissions were separated within the "County Board" folder. When an employee of another governmental unit served on the county board or commission, the statement of economic interest was filed with the other governmental unit. Documents for county employees required to file and members of county commissions were reviewed for the filers compliance with the requirements of 5 ILCS 420/4A.

FINDINGS

FILING EXCEPTION

Form filed after deadline	5
No filing date identified by filer on form	2
Form not signed by filer	0
Forms missing in designated files	0
Fees assessed for late filing	4
Fees collected for late filing	4
Fines waived by County Clerk	1

For the filers who did not enter the filing date, we recognized the date received by the County Clerk as the official filing date. For the forms filed after May 1, 2012 filing deadline, the County Clerks' office prepares a list of fees collected for 2012 late filers after prior notification and collection of the fees. Late filing fees were waived for one of the required filers. Apparently a waiver is only available for persons with serious or catastrophic illness or persons in military service. The persons receiving a waiver was not in this category but was granted a waiver in that a late filing was due to the form being mailed to an incorrect address.

COUNTY CLERK RESPONSE

Regarding the waiver granted, the address was given incorrectly by the unit, and when the filer finally was notified of the statement, the filer immediately contacted the Clerk's office to correct the address information. Since the unit provided the incorrect information and the filer was not aware of the requirement to file, a waiver was given.

CONCLUSION

For Kane County offices, departments, boards and commissions, statement of economic interest forms are imprinted with the name of the filer and all that apply. It was not considered necessary to identify them in the question pertaining to employment with another unit of government.

Statements of Economic Interest files with the County Clerk are properly categorized. An incomplete form was submitted by the acting Public Defender who is no longer in the office. The current Public Defender was appointed as the successor and did not file a Statement of Economic Interest. County Clerk's Office must be aware of changes in persons required to file Statements of Economic Interest forms.

COUNTY CLERK RESPONSE

Under "conclusion", regarding the acting Public Defender, it is the responsibility of the unit to notify the Clerk's office of any changes in filing status.

Questions were not answered on one form available for our inspection. We had requested a ruling in a previous audit and the State's Attorney opined that unanswered questions do not represent an invalid filing of a Statement of Economic Interest.

In accordance with ILCS 420/4A-108, a county clerk is authorized to institute an internet-based system for the filing of Statements of Economic Interest in his office. A list of persons who have filed Statements of Economic Interest is on the County Clerk's link to the County web site. Apparently, when an internet filing system is established, the Statement of Economic Interest is to be filed on the internet with acknowledgement to the filer's e-mail address. This filing process needs to be implemented by the County Clerk. However, whenever a county clerk institutes an internet filing system, every unit of local government within the County must use the system. The contents of the forms filed on the internet must be available for inspection and copying on a publicly accessible web site.

COUNTY CLERK RESPONSE

At this time, the Kane County IT department is currently working on an internet-based filing system, along with the Clerk's office, and the goal is to have this system available to units and filers for the 2013 filing year.
