AUDIT PROCEDURES

The Auditor's Office performed the following procedures:

1. Reviewed the State Statutes and County Ordinances citing salary information for elected officials
2. Recalculated the gross salaries and wages paid during the Fiscal Year 2021
3. Agreed the calculated gross salaries and wages to County ordinances
4. Traced gross salaries and wages paid to financial records
5. Analyzed historical gross salary trends

RESULTS

There were thirty-two (32) elected positions for review. The number of elected positions did not fluctuate during the Fiscal Year.

There were no changes made to the State Statutes or the County Ordinances related to compensation amounts. However, the County Board member for District 13 resigned on May 3, 2021. A replacement was appointed through Resolution 21-314 as of July 13, 2021 for the remainder of the term expiring on November 30, 2022. Their combined salaries did not exceed the salary set in the statute.

The Treasurer also resigned on January 3, 2021. An interim was appointed from the Office until the new Treasurer was appointed through County Board Resolution 21-180 with the term of April 5, 2021 – November 30, 2022. The three salaries combined did not exceed the salary set in the statute.

Based on the procedures performed, the elected officials' gross salaries and wages comply with the State Statutes and County Ordinances.
